NOTICE

SPECIAL ENROLLMENT RIGHTS

As a member of Suburban Health Consortium, your school district provides health care benefits to eligible employees and dependents through Suburban Health Consortium's group health plan. Below is important information regarding your health care benefits.

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, please contact the Benefits Office at your school district.
